Filed: November 16, 2001

For: Glucagon Antagonists/Inverse Agonists

**RESPONSE TO UNITED STATES PATENT OFFICE DECISION OF JULY 13, 2007
CONCERNING CERTIFICATE OF CORRECTION**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA. 22313-1450

Sir:

The United States Patent and Trademark Office in a Communication mailed July 13, 2007 has denied Applicants' June 20, 2007 request for a Certificate of Correction, stating that the requested corrections would change the meaning of the claims. In response to this decision, Applicants respectfully submit herewith a new Certificate of Correction. The Certificate of Correction submitted herewith requests corrections that were agreed upon by the undersigned and the Examiner for the above-identified application, Examiner Laura Stockton, in a telephone conversation on August 8, 2007.

Applicants request that The United States Patent and Trademark Office make the necessary changes and affirm that no new matter has been added.

Respectfully submitted,

Date: August 8, 2007
